On the girls side, Sydney Nantais rolled a 9-game total of 1,632 to win the scratch all events title and the \$100 scholarship. Nantais' doubles score of 605, her first career 600 series, not only was the difference maker in defeating runnerup Paige Kraushaar, it carried her and partner Matt Milcarek to the Division 1 doubles crown. Nantais didn't stop there as she added a third title, capturing Division 1 team honors with teammates Milcarek, Keegan Holbrook, and Bryan Wrigley.

Boy's scratch all-events champion Jimmy Kraushaar rolled a 1,904 9-game total which was highlighted by a 693 in singles, including the tournament's high game, a nifty 267. The all-events title was not secured until the final game when the Boone Grove sophomore rolled a 248 to go around Lowell's Matt Milcarek who had led all events from game one.

Kraushaar also captured Division 1 handicap All-Events title and the Division 1 singles title.

⇒ **Hebron's David Penfold goes big in singles**
